As a student in Mr Cox's American History class at Pearland High School, I acknowledge that I have read and understand the syllabus and classroom code of conduct and agree to comply by it while in the classroom and when using all school computers. I also understand that violation of these rules will result in disciplinary action or in some cases a reduction in my grade.

Parents,

Communication is the key to your child's success at Pearland High School. Successful learning is a partnership between the student, parents, and the teacher. If you would like to speak with me, or have any questions about your child's work, I urge you to contact me. Below I have provided a space where you can list your contact information, including email addresses and phone numbers where you can be reached. Please indicate what the best time of the day is to contact you. Thank you in advance for your cooperation. Please be advised that e-mail is the most effective way to contact me (coxr@pearlandisd.org), because I don't have a phone in my classroom. You can also call Pearland High School at 281-997-7445 and leave a message.
